EXPERIENCE & ACHIEVEMENTS

PUGET SOUND TECHNOLOGY SERVICES: Tacoma, WA
Tech Assistant I – Media Services

May 2014-August 2014

Responsible for the maintenance and use of campus technology and related equipment. Oversee setup and use of school equipment for staff presentations and meetings. Routinely examined and conducted maintenance on school machines such as projectors, desktops, and sound systems. Also assisted the Student Support staff with troubleshooting problems with student software usage, internet connectivity, viruses, and other concerns.

SIGNIFICANT PROJECTS

SOCIAL NETWORK – GROUP CREATOR: Tacoma, WA

Dec 2014-May 2015

Utilized database systems, Linux based servers, and web development techniques to build a browser-based social networking system that aids in group planning and communication. Collaborated with team members on a large scale project using Github.

ACTIVITIES

ADELPHIANS CONCERT CHOIR: Tacoma, WA

August 2011-May 2015

Rehearsed regularly with a professional level choir five days a week. Represented the University of Puget Sound in concerts both on campus and abroad during yearly tours. Practiced professionalism and teamwork on a regular basis. All members in the choir strive to master complex music on a fast paced schedule.

UNDERGROUND SOUND A CAPELLA: Tacoma, WA
Treasurer, Section Leader, Singer

August 2013-May 2015

Handled the finances of the student run A Capella group, Underground Sound. Assisted the president and directors with scheduling events and concerts. As a section leader, instructed and guided other members of the group through the music learning process, and acted as director of the group in the event of the director's absence.
